

EE450, fall 2010

Homework #2

Due Thursday, September 23

-----

All on-campus students must submit the homework to Professor Zahid before or during lecture class on the due date (no electronic submission whatsoever).

DEN remote students have until Friday noon (9/24) to submit to DEN via fax or email.

For questions regarding HW problems, please see any TA during office hours or contact your designated by email (with EE450 in your subject line) and CC the email to Professor Zahid.

-----
